  - Business Organisations and their Environment (20 credits)

UWE University Programme

The UWE MIM programme is structured as follows and is made up of seven core modules, one option module, and a dissertation work.

- Core Modules:
  - Strategic Analysis (15 credits)
  - Managing Finance (15 credits)
  - International Management (15 credits)
  - Management Research Methods (15 credits)
  - People and Organisations in an International Context (15 credits)
  - Delivering Customer Requirements (15 credits)
  - Globalisation (15 credits)

- *Option Modules:
  - Project Management (15 credits)
  - Leadership (15 credits)

- Dissertation Module:
  - Dissertation on International Management (60 credits)

- *Students have to choose one of the two option modules in 3rd year.

MBA (Executive)

The MBA (Executive) programme offered by The British College in Kathmandu is a career development programme provided by Leeds Beckett University, UK. The programme is designed in collaboration with more than two years of work experience in business and management. In the programme, students will have an opportunity to develop and transform their leadership and strategic management skills.

Why MBA (Executive) at The British College, Kathmandu?

Our aim is to give students the space to think and critically appreciate their current strengths and areas for development, and to set them gain insight into their leadership skills and realise the management challenges they face. We help them develop and apply new decisive leadership methods to enable them to manage their game and inspire the people who work with them.

Course Structure

Pre-Masters Programme

The pre-masters programme is structured as follows and is made up of two core modules and one pathway module.

The Pre-masters programme is structured as follows and is made up of two core modules and one pathway module.
The British College offers an unforgettable academic experience transcending international boundaries with thought-provoking incision. An overseas university degree qualification offering exactly the same university degree as studied in the UK, but with the comfort and cost effectiveness of residing and studying in Nepal.

Our Academic Staff
All of our teaching staff are carefully selected based on their qualifications and experience. Passionate about the subjects they teach, they are dedicated to support students and help them to excel. The college has academic staff with a wide range of academic and industry experience in and outside the country. The college also has specialist academic staff who will provide English language support to students.

Our Students
Student life at the British College can be characterised as both exciting and vibrant. We encourage our students to pursue a wide range of extracurricular activities and fulfill themselves not only academically but also in terms of developing their inter-personal and social skills as well. Our students are given the opportunities to grow holistically as individuals. They will have every opportunity to take part in various activities e.g. sports events, excursions and participation in student clubs.

Our Facilities
Our Campus is fully equipped with modern facilities and provides world-class accommodation. Our students enjoy learning in spacious, well-equipped classrooms. In addition, the college has a dedicated intranet allowing access to course materials and the sharing of work and ideas. Students will also benefit from our dedicated IT suite.
