

Licensed Computer-Based Exam (CBE) Centre

The British Professional College is an approved, licensed centre for on-demand ACCA Computer-Based Exams. CBEs are available for BT, MA, FA, LW, and FIA papers. CBEs offer flexibility as they can be sat at any time, meaning that you are not restricted to the specific timings of the paper-based exams.

Study Mode: Full Time

Upon achieving the ACCA qualification, our graduates launch successful careers as financial leaders in diverse sectors, including auditing, tax consulting, financial control, management accountancy, treasury consultancy, and business analysis, both in Nepal and globally. With a solid finance foundation, many start their own businesses, shaping Nepal's growing financial sector.

Applied Knowledge and Applied Skills level papers passed or exempted.

MSc Professional Accountancy

The MSc Professional Accountancy from the University of London (UoL) is a prestigious international programme tailored for finance professionals. It equips students with advanced-level knowledge, elevating their expertise in accountancy, finance, capital markets, and investments, and significantly increasing their appeal to employers. To enrol, candidates must be at least ACCA affiliates.

BSc (Hons) in Applied Accounting*

Through ACCA's unique partnership with Oxford Brookes University, all qualifying students who join the British Professional College can gain a degree in Applied Accounting. After the completion of 9 papers and a research project, students will have the powerful combination of a British degree and a professional qualification.

**The BSc programme is closing in 2026.*

ACCA
Association of Chartered Certified Accountants

Course Overview

The British Professional College, owned by The British College, Kathmandu, offers the ACCA (Association of Chartered Certified Accountants) programme. ACCA is the largest and fastest-growing international accountancy body, with over 252,500 members and 526,000 future members in 180 countries.

This global body for professional accountants is an ideal study route for students who are looking to pursue a rewarding **career in accountancy, management, or finance**, and it opens doors to interesting roles all over the world. The qualification is designed to teach students the accounting knowledge, skills, and professional values needed to build a successful career across any sector. Earning this qualification provides access to an extensive international network via a recognised British Chartered Body, nurturing the development of finance professionals who play a key role in shaping the future of business and accountancy.

Why study ACCA with BPC?

We are a PLATINUM Status Approved Learning Partner of the ACCA. This is awarded to institutes that deliver a very high quality of education, reflecting the high-quality tuition that we provide to our students. Our features include:

- The Only ACCA Approved Learning Partner-Platinum in Nepal to provide an international college environment for ACCA classes.
- Library support with online library access.
- A university-style experience: longer study hours and revision sessions.
- Classroom lectures and exam technique sessions.
- Study/revision notes & regular mock exams in real exam environments.
- Frequent Career and Interpersonal Development Programme.
- Licensed CBE Centre.
- The most experienced faculty members.
- Evening classes and intensive courses as required.
- Industry exposure visits & regular ECA/CCA activities.
- MOU signed with different organisations to help students with internships & job placements.
- British Education Group (BEG) also operates a college in Dubai, The Woolwich Institute (TWI), where students have the opportunity to transfer midway through their ACCA Journey (during Skills or Professional Level).

ACCA Assessments

Applied Knowledge

Students are assessed using computer-based testing with multiple-choice and multiple-task questions. Each test typically lasts for 2 hours, and they are available on demand to be taken throughout the year.

Applied Skills

Students sitting exams for these levels will undertake computer-based exams that take place in March, June, September, and December at an ACCA venue (a remotely invigilated option is also available). The LW exam is available as an on-demand CBE.

Strategic Professional

This consists of essentials and options modules. These are assessed through computer-based exams. Students sitting exams for these levels will undertake written exams that take place in March, June, September, and December at an ACCA venue (remotely invigilated option also available).

To qualify as an ACCA member, you should:

- Complete 13 exams (maximum nine are eligible for exemptions)
- Gain 36 months of related practical experience (before, during or after exams)
- Complete the online Ethics and Professional Skills (EPSM) module

Our Faculty

- Bikrant Acharya
- Suman Sitaula
